# VPPE Goals

---

Develop an innovative, virtual Professional Practice Experience (PPE) model that stimulates student collaboration and addresses current environmental changes while at the same time satisfying the longstanding need for students to be indoctrinated in the reality of Health Information practices.

Collaborate with Health Information Management associations and industry professionals to design rigorous, high-quality learning activities and evaluate student work.

Collaborate with the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM) to ensure the innovative model meets the intent of the PPE requirement.

Expand options for PPEs and provide practical experience in the areas of operational Health Information, Privacy and Security, Human Resources Management, Financial Management and Data Analysis.

Very beautiful, I love the personal touch in the topic. Best one so far.

**Ms. Kristie** was a WONDERFUL speaker an inspiration, and I would love to hear from her again!

Great presentation. **Ms. Byrd** was an awesome speaker.

She was very knowledgeable, inspiring , and she gave the best presentation that I have attended so far. She did a terrific job, and I would enjoy seeing her in the future.

Loved. I Loved this session! **Ms. Gordon** is amazing! Appreciate her time so much!!

Excellent speaker! I really enjoyed this presentation. She is so sweet and provided a lot of useful information.

Best presentation yet! **Ms. Cuney** is extremely personable and extremely knowledgeable! GREAT PRESENTATION!!

Has a great character in presenting, humorous which had my attention throughout the presentation. My favorite presenter.

**Tammy** is very informative and really knows her position! I love that she gave huge tips on her hiring process! Great job Tammy and thank you!!  
Tammy is amazing.
